Please get your membership BEFORE you plan to ride or participate at the arena for any reason.

Thank you for your continued support!

February 25, 2021

As we introduce the 2021 season, we thank our members for continuing to support Scott Valley Pleasure Park, and the history of rodeo and horsemanship in our community. We are particularly thankful for your support after Covid-19 restrictions meant that we were not able to host a rodeo in 2020.

Events

We plan for the 73rd Annual May Rodeo to occur on the first Sunday in May, alongside the CHSRA District 1 Finals on Friday and Saturday. We invite you to support this annual investment in our community, in every way possible. Contestants can register/pay online at www.etnarodeo.com/entry.

Added Monies

Thanks to fundraising and sponsorship efforts underway now, \$500 in prize monies will be added to each event, making our May Open Rodeo more compelling to competitors. By renewing your membership, sponsoring a buckle, and making an annual donation, you help rodeo continue in Etna.

2021 Membership

Thank you for supporting the arena, despite the pause of traditional events in 2020. Use the enclosed form to renew your membership, sponsor a buckle or make a donation by April 23rd, 2021.

Work Days

The Board of Directors will coordinate several work days between now and May, to provide our membership and rodeo contestants with a professional facility for the summer season. The board appreciates ongoing volunteer help with construction, welding, fencing, and major repairs.

Our History

The S.V.P.P. organization was founded in April 1948, when the Articles of Incorporation of the Pleasure Park Association of Etna were filed by W.D. Pinky Mathews, Fred P. Browne, Ruth Gepford, George R. Dillman, Roy Mason, Robert A. Dillman and Frank Bryan. Today, your annual membership continues to support the annual costs needed to maintain the arena, grandstands and stock pastures for member riders, and annual events. Your support is greatly appreciated.
