With a history dating back to 1947, the May and July Rodeos in Scott Valley are two of the largest events in the county, next to the Siskiyou Golden Fair and Mt. Shasta's 4th of July. We hope you will consider this invitation to sponsor our 75th year of Rodeo. Your marketing investment will help us provide additional prize monies needed to attract competitive contestants and build a reserve for arena improvements. In return, our organization will communicate your sponsorship to residents, visitors, rodeo participants and attendees through the year. In every opportunity, our organization will communicate your support of the legacy of rodeo in Scott Valley and Siskiyou County.

Our Top Billing, Event, and Added Money sponsors are featured on our Facebook and Website, and receive several mentions at our May and July Rodeo performances and in the event program. All investment benefits are listed below and include three tiers that reach our members, contestants, spectators and supporters.

Thank you for your consideration and support of Scott Valley's May and July Rodeos.
